SAVING PEOPLE IN LIFE EMERGENCY: 108 SERVICES

Vikarabad, 27th July, 2007

The objective of 108 Ambulances is to save people in life emergency said Shri Adibabu, District Supervisor, Emergency Management Research Institute (EMRI). Speaking on the services rendered by 108 at the Bharat Nirman Public Information Campaign on Friday, he said that Shri Ramalingaraju, Founder of Satyam Computers introduced the EMRI services in our state in the year 2005. to With a view to extend services to all villages 12 ambulances are provided to Ranga Reddy district. One ambulance is given for three mandals. Each ambulance fitted with equipment worth Rs.17 lakhs renders its services in life emergencies, road and fire accidents. Sri Adibabu informed that the ambulance stationed at Vikarabad has so far saved the lives of 30 people.

Shri M.V.V.S. Murthy, DDG, PIB and Shri K. Syama Prasad, Director, Directorate of Field Publicity and S/Shri Lokesh, Srinivas, Laxman Rao, Ravi and Raju employees of EMRI participated in the programme.
